1. When you have finished the application, please reattach the application as a word document, or, our preference, copy/paste into the body of the email and send to dogs@zanisfurryfriends.org.
2. Please read the adoption agreement. You must sign this in order to adopt a dog(s).
3. All potential adopters must agree to a home visit. This is to ensure that our wards are being adopted into safe homes.
4. Adopting a dog is a meeting of the heart as well as of the mind. It is a lifetime commitment to an animal that will be your loving companion and your best friend. We want to make this decision as easy as possible for you, so if you are not sure you can take such a permanent step, please consider fostering one of our dogs before you adopt to help alleviate the pressure you may feel. Email us at info@zanisfurryfriends.org and ask how you can become a foster parent to one of our beautiful dogs.
5. We ask each adopter for a donation upon completion of the above in order to defray the cost of veterinary and foster care.

Completing an application does not guarantee an adoption. If you would like to foster, please contact dogs@zanisfurryfriends.org.

We, of course, keep all applications confidential and never sell any names.
